TDHCA

The Texas Department of Housing and Community Affairs (TDHCA) is the official Housing Financing State Agency responsible for affordable housing, community and energy assistance programs, Colonia activities, and regulation of the state's manufactured housing industry. The Department currently administers \$2 billion through for-profit, nonprofit, and local government partnerships to deliver local housing and community-based opportunities and assistance to Texans in need. The overwhelming majority of the Department's resources are derived from mortgage revenue bond financing and refinancing, federal grants, and federal tax credits.

The Texas Homebuyer Program is primarily responsible for the creation, oversight, and administration of the Department's homeownership programs, which are designed to assist low-to-moderate-income First-time homebuyers. The program does this through both bond proceeds and a TBA program in which funds are generated through private investors.

The Texas Homebuyer Program's options are made available to Texas consumers through the Department's network of approved participating lender partners.

Participating Lenders

The participating lender(s) play a very important role in the TDHCA homeownership programs. Lenders assist homebuyers to qualify for more home using programs offered by TDHCA, including our low-rate First mortgage, down payment assistance, and mortgage credit certificates. TDHCA homeownership programs can help lenders increase loan production serving more customers and their community.

As a participating lender, you will handle the process of reserving the mortgage loan and/or mortgage credit certificate in the TDHCA Lender Portal; and process, underwrite, approve, fund, close and sell qualified loans to the program's Master Servicer (as applicable). If using only the MCC program, participating lenders may sell their loan to their investor of choice. Check with your company on how to reserve a loan in your own system so that you have funds available for closing. Lenders are responsible for servicing first and second program loans in accordance with Agency requirements until they are purchased by the Master Servicer.

Idaho HFA, Master Servicer

TDHCA's master servicer for First mortgage loans and second loans with down payment assistance is Idaho Housing and Finance Association (IHFA). All loans originated through the TDHCA My First Texas Home and My Choice Texas Home option(s), whether with or without an MCC, will be sold to and serviced by IHFA. As master servicer, IHFA provides Information and training concerning the mortgage loan file, including the following functions:

1. Acceptable loan products delivery and funding;
2. Receives all mortgage (loan purchase) files;
3. Reviews mortgage files;
4. Notifies lenders of mortgage file exceptions;
5. Approves mortgage files for purchases; and
6. Services First and Second mortgage loans.

Hilltop Securities, Program & Compliance Administrator

Hilltop Securities serves as the Program & Compliance Administrator for the TDHCA Homeownership programs. As program administrator, Hilltop Securities performs the following functions:

1. Maintains the program reservation system website and auto-populated program documents;
2. Provides assistance with compliance questions and any program/loan changes as necessary;
3. Provides assistance with the Lender Portal;
4. Provides training on program compliance and the Lender Portal online reservation system;
5. Provides Post-Closing compliance file review;
6. Notifies the lender of conditions/approvals via the Lender Portal and email as required;
7. Maintains guidelines, bulletins and other important Lender resources in the Lender Portal; and
8. Circulates announcements and the daily interest rate sheet electronically.

Program Summary

TDHCA currently offers homeownership options through the following programs:

My First Texas Home offers expanded mortgage loan opportunities to qualifying First-time homebuyers, including government and conventional 30-year fixed rate first mortgage loan options that *may* include down-payment and/or closing cost assistance. Borrowers must meet IRS tax- exempt guidelines.

My Choice Texas Home is a TDHCA First mortgage loan program that is available to low and moderate income First time and non-First-time homebuyers. Down-payment and/or closing cost is available with each loan option. Income eligibility is based on the standard credit qualifying (1003) income used by the lender for loan qualifying. No IRS tax provisions apply.

Texas Mortgage Credit Certificate (“MCC”) assists in making homeownership more affordable by providing First- time homebuyers a federal income tax credit, reducing the homebuyer’s potential federal income tax liability. By having an MCC, the homebuyer has the ability to convert a portion of their annual mortgage interest into a direct income tax credit on their U.S. individual income tax return. The credit may be applied for the life of the loan, as long as it continues to be the borrower’s primary residence.

Section 1 – Mortgagor Eligibility

1.1 First Time Homebuyer Requirement

My First Texas Home / Texas Mortgage Credit Certificate

Homebuyer(s) using this option, an applicant cannot who have both owned and occupied a primary residence during the last three years. The homebuyer and spouse, and any other adult who will have ownership interest in the property (named on the Deed of Trust) must meet the First Time Homebuyer requirement.

The homebuyer(s) may be **exempt** from the First-time homebuyer requirement if:

- Homebuyer or spouse is a qualified veteran, honorably discharged as evidenced by DD-214 discharge papers, and has not previously qualified for and received a mortgage financed through a mortgage revenue bond program by reason of the qualified veterans exception to the first-time homebuyer program.
- Subject property is in a Qualified Targeted Census Tract (Targeted Area).

My Choice Texas Home

Homebuyer(s) using this option are not required to be First-time homebuyers. Borrowers may have previously owned or may currently own a home, provided that, the home being purchased becomes the borrower's principal residence upon loan closing.

Verification of first-time homebuyer status

The following evidence is required to determine First-Time homebuyer status and must be included with each loan submission file (compliance file) for each applicant:

- Signed and dated Form 1040, 1040A or 1040EZ federal income tax returns (or IRS tax transcripts obtained through a 4506T) for the past three (3) years with all schedules that show no deductions for mortgage interest or real estate taxes for a Principal Residence. Note: *IRS Tax Code requires the previous year tax return or tax transcript on any mortgage loan closing with a Mortgage Credit Certificate (MCC) after **February 15th**. Lenders may proceed with loan closing; however, the MCC will not be issued by TDHCA until the required tax information is provided by the borrower, co-borrower and spouse (including Non-Purchasing Spouse).*
- In the event the applicant was not obligated to file federal income tax returns for any of the preceding three (3) years, it will be necessary for the applicant to state so on the Applicant Affidavit.
- An applicant who cannot provide tax returns because they did not file them when required to do so per Internal Revenue Service requirements, are not eligible for the option(s) under the My First Texas Home or Texas Mortgage Credit Certificate

If one or more of the applicant's tax returns reflect that the applicant took a deduction for a mortgage interest or real estate taxes on property claimed not to be the principal residence, documentation is required to demonstrate the rental status for that property during the relevant period (for example, rent receipts or canceled checks). Documentation of the rental history may be required for the period from the last tax return filed to the program application date.

An ownership interest in a mobile home will be considered a prior ownership interest in a principal residence if the mobile home was permanently attached or anchored to land and has had the wheels and other components used in transportation removed; and taxed as real property.

Copies of tax documentation is to verify first time homebuyer status, **NOT** to verify income (with the exception of a

self-employed borrower).

1.2 Residency Requirement

Mortgage loans must conform to the requirements of FHA, VA, USDA or Fannie Mae as it relates to non- U.S. citizen applicants. Follow agency (loan product) guidelines for DACA recipients. The Texas Homebuyer Program has no additional overlays regarding immigration status.

1.3 Homebuyer Education

Each Homebuyer must complete pre-purchase counseling provided by one of the following:

- TDHCA's FREE Online Homebuyer Education course "Becoming a Homeowner" available through Texas Homebuyer U - <http://education.myFirsttexas.com/>.
- Certified housing counselor(s) listed on TDHCA's counselor database
- HUD counseling agencies
- Online counseling offered by MI companies, Fannie Mae, Freddie Mac or eHome America or the equivalent.

A **Certificate of Completion** will be required for each borrower and does include a Non-Purchasing Spouse. Non-Occupying Co-Signers are not required to complete a Homebuyer Education Course and additionally may be current homeowners themselves.

1.4 Maximum Income (Family Income)

My First Texas Home / Texas Mortgage Credit Certificate

For the purposes of meeting the Program eligibility criteria, the borrower(s) annual income may not exceed the most recent maximum income limits as published by TDHCA. The maximum income limits are calculated based on median family income data published by the Department of Housing and Urban Development (HUD) and/or the IRS. The income limit applicable to the household is based on the county where the property is being purchased and the number of qualified applicants. ***Non-Occupant Co-Borrowers are **not** permitted.

- **Household income includes the Applicant's current gross income, as well as that of anyone else who is expected to live in the Residence and become liable on the Deed of Trust or Mortgage (including a non-purchasing spouse).** *Family Income includes but is not limited to:*

Annual Wages	Annuities
Commissions	Pensions
Bonuses	Child Support
Self-Employment (plus depreciation)	Alimony
Dividends	Public Assistance
Interest	

- Income of a Non - Purchasing Spouse must be included. Current family income may or not be the same income amount used to qualify for credit underwriting purposes. However, in no case may current annual household income be less than the income used to qualify borrowers (excluding co-signors income, if applicable). Current Income/Purchase Price Limits can be found on the TDHCA website:

My Choice Texas Home

For the purposes of meeting the Program eligibility criteria (Income Limits), **only the income of the borrower(s), as shown on the 1003 Residential Loan Application will be considered.** The income of a Non-Purchasing Spouse (NPS) will not be included in the calculation. For example, only the income used to qualify the mortgagor for repayment of the mortgage loan (from the 1003 loan application and/or the applicable underwriting worksheet) will be compared against the program limits. Co-signers Income is included for My Choice- Conventional Loans only for the purposes of Income Limit qualification.

1.5 Co-signers and Guarantors

Co-signers are defined as **non-occupying loan guarantors** and are allowed per TDHCA guidelines. Co-signers are **not** permitted to occupy the property and may not be on title (sign the Deed of Trust), purchase agreement or have any vested interest in the property.

All Co-signers will be required to execute the Affidavit of Co-signer/Guarantor and will be required to sign the Note. The income* of the Cosigner is not considered when determining income limit eligibility for the purposes of the program *with the exception of the FNMA HFA Preferred Option.*

*Co-signer income for FNMA HFA Preferred product option: (Non-occupant) Co-signer income must be included when comparing income vs AMI limits. FNMA will consider Co-signer income in the 80% AMI limits.

NOTE: Non-Occupant Co-Borrowers are NOT permitted because all TDHCA Borrowers must occupy the subject property within 60 days of closing, therefore Co-signers are never Borrowers, only loan guarantors for TDHCA Programs.

1.6 Recapture Tax

My First Texas Home / Texas Mortgage Credit Certificate: All Mortgage Loans and MCCs may, under certain circumstances, be subject to federal income tax recapture provisions. At the time of loan application and before making a reservation in the Lender Portal, the Lender should provide the [Recapture Tax Brochure](#) regarding recapture to the Eligible Borrower along with the Notice to Buyer(s) Disclosure.

- The Lender should discuss these documents with the borrower(s) and answer any questions
- After loan closing and compliance approval by Hilltop Securities, the borrower will receive via mail, the completed Notice of Potential Recapture Tax on Sale of Home, specific to their loan. Borrowers utilizing the MCC Program will receive their Mortgage Credit Certificate. The Notice and the Mortgage Credit Certificate will also be available in the Lender Portal.

My Choice Texas Home: Recapture Tax does not apply to this option.

Section 2 - Eligible Properties

2.1 Location

The subject purchase property must be located within the State of Texas.

2.2 Type

Eligible properties include new or existing; Single family homes; Condominiums; Planned Unit Developments (“PUD”); Manufactured Homes¹ and Duplexes² as long as one unit is occupied by the Eligible Homebuyer as their Principal Resident and if the Duplex was first occupied as residential property at least 5 years prior to the closing date for the Mortgage Loan.

Triplexes, Fourplexes and shares in housing cooperatives are **not eligible** for the Program(s). Additionally, the land appurtenant to a Residence shall be considered as part of such Residence only if such land **does not exceed 1 acre** (unless such restriction is waived by the Master Servicer with the written approval of the Department), reasonably maintains the basic livability of such Residence and does not provide, other than incidentally, a source of income to the Mortgagor. TDHCA will consider an exception to the one acre maximum if the lot size is commensurate with other lots in the area and is not being used to generate any income for the mortgagor. See agency guidelines (loan product) for additional property restrictions. **Requests for Acreage exceptions should be emailed with a copy of the appraisal to: txhomebuyer@tdhca.state.tx.us.**

2.4 Principal Residence Requirement

Except for a unit rented in a two-unit dwelling, where one unit is owner-occupied, the Applicant cannot use more than 15% of the Residence in a trade or business. The Lender will review the Applicant(s) tax returns to see if the Applicant(s) deducted any portion of the cost of the Residence as a home business expense and determine whether more than 15% of the Residence was used. Applicants providing childcare in the home are assumed to be using more than 15% of the residence for business purposes and, therefore, do not qualify for the Program.

HFA Preferred is ideal for borrowers with limited funds for down payment and closing costs and for those needing extra flexibilities on credit and income sources. It does not require a minimum contribution from the borrower's own funds for one-unit properties. FNMA HFA Preferred mortgage loans must be run through Fannie Mae's DU (*Approve Eligible*) [FNMA HFA Preferred Guidelines](#)

Fannie Mae HFA Preferred is Available through My Choice Texas Home with two different options:

1. Borrowers with incomes of 80% AMI or below
2. Borrower with incomes of over 80% AMI

NOTES:

- a. *** Please do your extra due diligence with qualifying borrowers on the 80% and Over product.** Best practice is to not reserve funds until DU Findings are confirmed for what the borrower qualifies for. For example, if a reservation was placed for an over 80% AMI Conventional borrower and later it was determined that the borrower qualifies for the 80% and under loan, there could be significant pricing differences that might negatively impact your loan settlement. Avoid any unexpected pricing differences by thoroughly qualifying your borrowers prior to reservation. The AMI classification is determined by the AUS/DU findings
- b. Refer to the Income and Purchase Limits chart for applicable income limits.
- c. Per FNMA guidelines: Non-occupant cosigner income must be included in the 80% AMI limit.
- d. Please note that AUS/DU for borrowers above 80% AMI may contain a message stating coverage of at least 18% MI may be obtained with a loan level price adjustment (LLPA). LLPAs are collected at the time of purchase if not collected at loan closing. It is the sole responsibility of the lender to lock loans based on Fannie Mae's income limits.
- e. To make this determination, AUS/DU factors in the **total qualifying income** (not MFA income) and the address of the subject property. Fannie Mae's AMI lookup tool may be used by lenders to make a preliminary assessment prior to running AUS/DU: <https://ami-lookup-tool.fanniemae.com/amilookuptool/>

Texas Mortgage Credit Certificate (MCC): When considering the Texas MCC as a Stand-alone (MCC only) option, combining with the lender's first mortgage, there are no restrictions on the mortgage financing with regard to loan type or rate. However only fixed-rate First mortgages qualify, with a loan term of 15 or 30 years. In addition, mortgages funded with a qualified mortgage bond are not eligible. See Section 4, below for additional details on the Texas Mortgage Credit Certificate Program guidelines.

Section 4 - The Texas Mortgage Credit Certificates Program (MCC)

4.1 What is a Texas Mortgage Credit Certificate?

An MCC is a non-refundable federal income tax credit designed to assist persons of low to moderate income to better afford home ownership. The MCC holder is eligible to claim a portion of the annual interest paid on the mortgage as a tax credit, during each year that they owe amounts on their mortgage loan and occupy the home as their Principal Residence. The portion or amount of the tax credit is equal to the **mortgage credit rate** on the MCC multiplied by the annual interest paid. This credit reduces the federal income taxes of the buyer, resulting in an increase in the buyer's net earnings. Increased buyer income results in increased buyer capacity to qualify for the mortgage loan. The MCC has the potential of saving the MCC holder thousands of dollars over the life of the loan. The MCC holder must have a tax liability to benefit from the annual credit in any given year.

4.2 Texas MCC Tax Credit Rate

In an effort to maximize the amount of MCC funds available through each allocation, the TDHCA MCC is issued as a 20% credit rate (see below).

4.3 The Difference Between a "Tax Credit" and a "Tax Deduction"

A "tax credit" entitles taxpayers to subtract the amount of the credit from their total federal income tax liability, receiving a dollar-for-dollar savings. A "tax deduction" is subtracted from the adjusted gross income before federal income taxes are computed. Therefore, with a deduction, only a percentage of the amount deducted is realized in savings.

4.4 MCCs and the Federal Income Tax Mortgage Interest Deduction

A taxpayer receiving an MCC reduces the portion of his/her normal deduction taken for interest paid on the mortgage loan by the amount of the tax credit. However, the homebuyer can deduct the portion of the annual mortgage interest payment in excess of the credit. Although the interest deduction is reduced, the holder of the MCC still pays considerably less in taxes.

The TDHCA MCC will be issued as a 20% credit rate (based on loan amount). When using the 20% tax credit rate, the \$2,000 maximum does not apply. See example below.

Year 1 Example Sales Price	20% Credit Rate Based on Loan Amount: \$200,000
	No Limit on Allowable Tax Credit
Mortgage Interest Rate Amount	6.00%
First Year Mortgage Interest	\$11,933
Calculated Tax Credit	\$2,387
Maximum Tax Credit Allowed	No Limit
Eligible Tax Credit	\$2,387
Mortgage Interest Deduction	\$9,546

Annual Eligible Tax Credit First 10 Years Based on 6.00% Interest	20% Credit Rate Based on Loan Amount: \$200,000
	No Limit on Allowable Tax Credit
Year 1	\$2,387
Year 2	\$2,356
Year 3	\$2,324
Year 4	\$2,290
Year 5	\$2,254
Year 6	\$2,215
Year 7	\$2,174
Year 8	\$2,131
Year 9	\$2,085
Year 10	\$2,036

The example below (2) assumes this same taxpayer is married with two children and has an annual income of \$60,000.

EXAMPLE 2 Benefit Realized with an MCC

	With MCC	No MCC
Annual Income	\$60,000	\$60,000
Taxable Income	\$34,441	\$34,441
Tax from Table	\$4,434	\$4,434
Child Care Credit	\$2,000	\$2,000
MCC Credit	\$2,000	\$0
Total Tax Liability	\$434	\$2,434

The same taxpayer owes \$2,000 less with an MCC than without one in this example. Please Note: the eligible monthly MCC benefit amount is calculated by annualizing the amount of expected mortgage interest paid for the borrower based on the interest rate of the loan file X20%/12. That amount can be added as income per IRS Code and used as additional qualifying income. The current credit rate for TDHCA = 20%. MCC holders with a 20% credit rate or less are not subject to a max MCC credit amount, but rather is based on total amount of mortgage interest paid for the given tax year. MCC credit rates above 20% are subject to the \$2,000 max annual benefit. This is a TDHCA overlay allowed per IRS Code. Please check your Agency guidelines for FHA, VA, USDA for any overriding overlays.

The MCC may reduce the amount of federal income tax liability otherwise due to the federal government from the homebuyer; however, the benefit to the homebuyer in any one year cannot exceed the amount of federal taxes owed for that year, after other credits and deductions have been taken into account. In other words, the IRS will not make a refund to the homebuyer if the MCC amount is greater than the tax liability owed. Tax credit amounts not used in a given year may be carried forward into subsequent years. In addition, the amount paid for an MCC is not refundable.

4.5 How an MCC Holder Uses the MCC

The MCC holder may receive the MCC credit savings annually at the time they file their tax returns or on a pro rata basis monthly by filing a revised Form W-4 with his or her employer to adjust his or her federal income tax withholding. When revising Form W-4, the number of exemptions will increase, reducing the amount of taxes withheld and increasing the buyer's disposable net income.

When the MCC holder files his or her taxes each year, the borrower **must** fill out [IRS Form 8396](#) (Mortgage Interest Credit) and attach a copy of their MCC with his or her filed taxes if they want to be eligible for the MCC Tax Credit. This is not intended to be a full explanation of the tax laws governing MCCs or an assurance that such information will guarantee compliance with the tax laws. The MCC holder should contact his or her tax advisor or their employer to help them with the necessary tax forms and, if they so choose, to properly adjust their tax withholding. Refer to [Tax Information for Homeowners - Publication 530](#) for additional information.

4.6 When the MCC Credit Exceeds the Tax Liability

If the amount of the MCC credit exceeds the MCC holder's tax liability, reduced by any other personal credits for the tax year, the unused portion of the MCC credit can be carried forward to the next three tax years or until used, whichever comes first. The MCC holder is responsible for keeping track of the unused credit each year. The current year credit is applied first, and the oldest amount of unused credit applied next.

4.7 Recapture of MCC Tax Credit

Please reference Section 1.6 – Recapture Tax

Section 10 – Reservation, Compliance and Closing Steps

10.1 TDHCA Loan Reservation Portal

Lender Portal

The Lender Portal is the software application that Lenders use to reserve funds and submit Post-Closing Compliance Packages under the Texas Department of Housing and Communities Affairs' The Texas Homebuyer Program. In addition to managing the reservation and compliance functions, the Lender Portal is an interactive, web-based tool that allows Lenders to electronically submit all required documentation, check the status of loans in their pipeline, view compliance conditions, run reports, view Program Guidelines and marketing materials and keep abreast of current updates and other important information associated with the Program.

When the Lender reserves a mortgage loan or MCC in the Lender Portal, the Lender must:

1. Have a complete mortgage loan application from a borrower,
2. Have made a determination that the borrower qualifies for the TDHCA and underlying First Lien program(s).
3. Have possession of a fully executed property sales contract/agreement or construction contract executed by the borrower and the seller or builder of the property.

Factor in the length of expected time to closing and delivery before reserving a loan. Delivery benchmarks start the date of reservation. All loans are due to be purchased within 60 days of closing.

Best practice is to reserve funds no sooner than 15 days prior to closing in order to comfortably deliver your loan and have it purchased within the 60-day purchase deadline. Remember extension fees are applied automatically as a reduction to SRP at settlement with the Master Servicer for loans not purchased within 60 days of reservation.

Reservation locks are available on business days between 9:00 a.m. and 6:00 p.m. Central Time. All other system features are available 24/7.

Assistance with user credentials, reservation updates, program forms, deficiencies and compliance approvals please email us for the fastest response: TDHCALenderSupport@hilltopsecurities.com, or by calling (214) 953-4176.

- i. The reservation window is open Monday through Friday between 9 A.M. and 6 P.M. (Central Time) and will be unavailable on Saturdays, Sundays and certain weekdays holidays when the financial markets are closed.

Rules Related to Reservation of Funds and Pipeline Management

The Lender may accept loan applications in all of its lending offices within the Eligible Loan Area. Funds will be issued on a first-come, first-served basis, irrespective of the Borrower’s race, color, religion, national origin, age, or gender. There will be no restrictions as to the total number of reservations issued to any particular Lender.

- **A Loan Reservation is Tied to Specific Borrowers:** The Program Administrator will not allow a transfer of a reservation from one eligible Borrower to another.
- **Changing an Existing Loan to A Different Program:** Under limited circumstances, changing a loan program to a different loan program from the original reservation, is allowed.

Note: TDHCA will not allow a new reservation for a Borrower, solely for the purpose of obtaining a lower rate.

- **Changing an Existing Loan to A Different Program, For a Lower Interest Rate:** In order to obtain a lower interest rate for an existing reservation, TDHCA will allow a new reservation for the applicant after cancellation and a 60 day waiting period, subject to funding availability. Rates are set by TDHCA investor requirements at the time of reservation.
- **Borrower with a Current Reservation Requesting to Change Lenders:** The original lender may voluntarily cancel the existing loan and TDHCA *may* allow a new reservation to be made by the new Lender, subject to review.
 - If TDHCA receives written notice from a borrower that they want to be released from their current lender, TDHCA will attempt to contact the existing lender to coordinate the termination of the reservation.

Note: TDHCA will not allow a new reservation for a Borrower with a new lender solely for the purpose of obtaining a lower rate.
- **Changes in Property Address:** A subject property address may be updated, by request, to the Program Administrator by providing a signed new sales contract for the same borrowers at a new address. This is assuming the new subject property will close within the original reservation timeline including any potential extension fees.
- Loans under other specific parameters may be eligible to change program options. Please email TDHCALenderSupport@hilltopsecurities.com with your specific loan scenario.

Loan Reservation Expirations and Cancellation

The Texas Homebuyer Program does not require a formal extension form to be submitted or approved. Rate lock extensions are extended automatically and subject to the cost adjustments, as indicated in Section 7.4 Extension Cost.

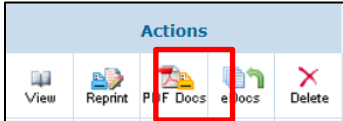

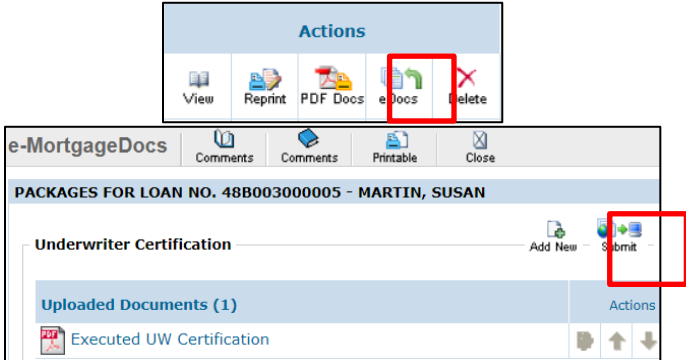

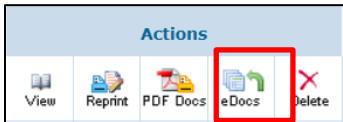

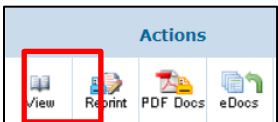

- For a mortgage loan or MCC that will not be delivered to TDHCA, the Lender is responsible for cancelling the loan reservation immediately.
- If a Lender is unresponsive to loan status requests or if the loan is not UW Certified and is passed the 60 day loan purchase requirement by Master Servicer, automatic cancellations may occur without further notice.

Please note:

- Reinstatement requests may be considered only for extraordinary circumstances beyond the borrower's control
- Should the Lender cancel a reservation, the Lender may be prohibited from making another reservation for the same borrower for a period of 60 days, subject to investor restrictions.

 - “Commitment Expiration” shows, in addition to the above, the last stage/status of the loan as well as the commitment expiration date.
 - “Master Servicer Conditions/Exceptions”, shows if any purchase conditions are outstanding with the Servicer. Information from the Servicer is uploaded to our system daily.
- b. **User Accounts.** Each Lender will choose one or more staff members to manage the company’s access to the Lender Portal. This “Administrator” will determine who, within the company, will have access to the Lender Portal and will determine which level of access each employee will have. Access levels range from “read only” to “Administrator” with other levels between.
- **NOTE:** The Access Administrators will be Responsible for setting-up and managing user access to Lender Online at www.TDHCA lender Portal.com.
 - This role will include periodic validation of active and inactive users for compliance purposes.

Section 11 – Modifications to Loan / MCC Reservation

Assistance with user credentials, reservation updates, program forms, deficiencies and compliance approvals please email TDHCA LenderSupport@hilltopsecurities.com.

11.1 Changes in Applicant Name(s)

Transfer of any reservation of funds from one eligible Applicant to another is not allowed. Changes to the Applicant name(s) can be made by the Lender prior to the completion of Underwriter Certification. Once the loan has been underwriter certified, please make your change request.

11.2 Changes in Current Income

The eligibility of the Applicant is based upon the Applicant's current income. Increases in income from sources already reported (i.e. salary increase) should be updated in the Lender Portal. Please email any changes in income reported after the loan has been underwriter certified.

11.3 Changes in Purchase Price

The eligibility of the Applicant is based upon the acquisition cost / purchase price of the property being purchased under the program(s). Changes in purchase price should be updated in the Lender Portal. Please email any changes in purchase price reported after the loan has been underwriter certified.

11.4 Changes in Loan Amount

Any change to the mortgage loan amount that occurs after the loan reservation, but before loan closing, may be made by the Lender. Please email any changes in the loan amount after the loan has been underwriter certified.

Any change to the mortgage loan amount at closing, not reflected in the Lender Portal, must be reported to Hilltop Securities immediately. Keep in mind that the down payment / closing cost assisted available through the program is based on the total loan amount. Changes to the First mortgage loan amount will result in a change to the 2ND loan amount.

11.5 Changes in Property Address

A subject property address may be updated, by request, to the Program Administrator by providing a signed new sales contract for the same borrowers at a new address. This is assuming the new subject property will close within the original reservation timeline including any potential extension fees.

Section 12 – Additional Provisions

12.1 Penalties for Applicant Misrepresentation

Penalties may be imposed on any Applicant making a material misstatement, misrepresentation or fraudulent act on an application or other document submitted to obtain a mortgage loan, assistance and/or mortgage credit certificate from TDHCA. Further, any person making a material misstatement or misrepresentation in any affidavit or certification made in connection with the application shall be subject to all applicable fines and penalties. See Applicant Affidavit for additional information.

12.2 Revocations of MCC

- Revocation of an MCC will occur when the residence for which the MCC was issued ceases to be the MCC holder's principal residence.
- Revocation will occur upon discovery by TDHCA or a participating Lender of any material misstatement, whether negligent or intentional, made in connection with the issuance of the MCC.
- Revocation will occur if the original (First) mortgage loan is refinanced, unless the borrower applies for a re-issued MCC after the refinancing has closed. For more information click on [Refinancing of MCC Loan Application \(PDF\)](#).

12.3 Reissued MCCs

TDHCA shall reissue an MCC for certain refinance transactions based on the following:

- **Property:** the refinance loan pertains to the same property to which the original MCC related, which is the Residence described on the original MCC.
- **Replacement of Entire MCC:** the new MCC replaces the original MCC in its entirety. No portion of the original MCC is being retained with respect to any portion of the outstanding balance of the original loan amount specified on the original MCC.
- **Loan Amount:** the refinanced loan amount does not exceed the outstanding balance of the original mortgage loan as of the date of the financing.
- **MCC Credit Rate:** the new MCC will be at the same credit rate as the original MCC.
- **No Increase in Tax Credit Amounts:** the MCC holder acknowledges that in the event the maturity of the refinanced loan is a date later than the maturity of the original loan, the new MCC will expire as of the original maturity date so that there shall be no increase in the tax credit amounts under the new MCC for any tax year over the amounts which would have been available under the original MCC.
- **Reaffirmation of the Original Obligations:** the MCC holder further reaffirms all of the representations, obligations and agreements covered under the documents signed in connection with obtaining the original MCC and acknowledges that all such obligations and agreements shall continue in full force and effect in connection with the new MCC.
- **The [Refinancing of MCC Loan Application \(PDF\)](#)** must be submitted to Hilltop Securities for reissuance of the original MCC.

12.4 Replacement MCCs

Request for replacement of MCC shall be made directly to Hilltop Securities by emailing: TDHCA lenderSupport.com.

Section 13 – MCC Record Keeping and Federal Report Filing

13.1 Lender Reports

The Lender is required by the IRS to file a report on or before January 31 for all of the MCCs issued during the previous calendar year. In early January, TDHCA will send the Lender the completed IRS Form 8329 with the MCCs issued the previous year. It is the Lender's responsibility to verify that the information on the form is correct and, if necessary, make any changes or additions and then submit the form to the IRS.

For six years after each Closing, the Lender must retain:

- Name, mailing address, and TIN of the Issuer
- Date of issuance for each MCC, the certified amount of indebtedness and the credit rate of the MCC.
- TDHCA may conduct audits of Lender records to ensure compliance with the recordkeeping provisions.

13.2 TDHCA Reports

TDHCA must make quarterly reports on IRS Form 8330, beginning with the quarter in which the election for the MCC program is made. The report must include:

- Name, address and TIN of the Issuer;
- Date of election;
- The sum of the products of the certified indebtedness amount (the mortgage loan amount or the initial principal balance) and the MCC credit rate for each MCC issued; and
- Name, address, and TIN of each MCC holder for whom an MCC was revoked.

TDHCA shall make an annual report to the IRS for each year beginning July 1 and ending June 30. The report will include:

- Number of MCCs issued by Income and Purchase Price; and
- Volume of MCCs issued by Income and Purchase Price.

In January following each year during which MCCs are issued, TDHCA will mail an IRS Form 8396, Mortgage Interest Credit, to each MCC holder of record as a reminder to properly declare the MCC tax credit for federal income tax purposes.

Section 14 – Additional Income Guidance

14.1 My First Texas Home / Texas Mortgage Credit Certificate Income Eligibility

TDHCA is relying on the Lenders and borrowers to provide correct information on income. This reliance is based upon the Lender certifications about reasonable investigation of the borrower and statements by the borrower that facts are correct.

Each Lender and Applicant provides information and signed certifications, which are specific about the information provided and its correctness. In the event of false statements or fraud, there are substantial penalties which may be levied. Therefore, TDHCA encourages the Lenders and the Applicants to provide accurate information and assure that calculations are within the limits.

14.2 My Choice Texas Home Income Eligibility

For the purposes of meeting the eligibility criteria, only the income of the borrower(s) will be considered. The income of a non- purchasing spouse (NPS) will not be included in the calculation. For example, only the income used to qualify the mortgagor for repayment of the mortgage loan (from the 1003 loan application and/or the applicable underwriting worksheet) will be compared against the program limits.

Section 15 – Forms / Affidavits / Attachments

15.1 Program Forms and Affidavits
